Major Themes

The major themes of Being Chapters From My Experience include:

Du Bois writes about his own experiences as an African American man in the United States. He describes the racism and discrimination that he faced, and he discusses the challenges that African Americans faced in all aspects of life.

Du Bois was also a passionate advocate for civil rights. He believed that African Americans should have the same rights and opportunities as white Americans. He worked tirelessly to achieve this goal, and his writings helped to inspire the civil rights movement.

Du Bois also believed that education was essential for the progress of African Americans. He founded the Niagara Movement, which was an organization that worked to promote education and civil rights for African Americans. Du Bois also helped to establish the National Association for the Advancement of Colored People (NAACP), which is still one of the leading civil rights organizations in the United States today.

Finally, Du Bois was a strong supporter of Pan-Africanism. He believed that African Americans should unite with other Africans around the world to fight for their rights and to achieve their goals.
