

Brotherhood of the Skies: An Exclusive Club for the World's Top Pilots

The Brotherhood of the Skies is an exclusive club for the world's top pilots. Membership is by invitation only, and the club's members are known for their exceptional skills and experience. The club was founded in 1929 by a group of American pilots who had flown in World War I. The club's mission is to promote safety and excellence in aviation, and to provide a forum for pilots to share their knowledge and experience.

To be eligible for membership in the Brotherhood of the Skies, a pilot must have at least 1,000 hours of flying time, have held a commercial pilot's license for at least five years, and have been involved in at least one major aviation safety incident or accident without causing any serious injuries or fatalities.

The Brotherhood of the Skies is a highly selective organization. In 2019, there were only about 1,200 members worldwide. The club's members include some of the most famous and respected pilots in the world, including astronauts, test pilots, and airline captains.

The Brotherhood of the Skies is a valuable resource for the aviation community. The club's members are experts in their field, and they are always willing to share their knowledge and experience with others. The club also sponsors a number of safety initiatives, and it works to promote excellence in aviation.

Benefits of Membership

There are many benefits to being a member of the Brotherhood of the Skies. These benefits include:

- Access to a network of experienced and knowledgeable pilots
- Opportunities to learn from the best in the field
- Support for safety initiatives
- Recognition for your contributions to aviation

How to Join

If you are interested in joining the Brotherhood of the Skies, you must first be nominated by a current member. Once you have been nominated, you will need to submit an application to the club's board of directors. The board will review your application and make a decision on your membership.

The Brotherhood of the Skies is an exclusive club, but it is also a valuable organization. If you are a top pilot who is committed to safety and

excellence in aviation, then you may want to consider joining the Brotherhood of the Skies.

Notable Members

Some of the most notable members of the Brotherhood of the Skies include:

- Neil Armstrong
- Buzz Aldrin
- Chuck Yeager
- Amelia Earhart
- Jacqueline Cochran
- Sally Ride
- Scott Kelly

These are just a few of the many notable pilots who have been members of the Brotherhood of the Skies. The club is a testament to the skill and dedication of the world's top pilots.
