## Unveiling the Great Decisions Program

Great Decisions is a comprehensive educational program that has captivated the minds of participants for over 75 years. It offers a meticulously curated selection of eight topical briefs, each delving into a critical global issue with unparalleled depth and nuance. These briefs encompass a vast spectrum of subjects, from the complexities of climate change to the transformative power of technology.

Through a series of facilitated discussions, participants embark on an intellectual journey, dissecting diverse perspectives, examining historical contexts, and weighing the potential implications of global events. Great Decisions fosters a vibrant community of engaged citizens who are empowered to make informed decisions and contribute meaningfully to shaping the future of international relations.

## **Delving into the 2024 Topical Briefs**

The 2024 edition of Great Decisions promises to ignite thought and inspire action. The eight topical briefs for this year's program delve into:

- **Climate Migration: Uprooted by a Changing Planet**
- **The Rise of Digital Authoritarianism**
- **The Future of Nuclear Weapons**
- **The Scramble for Africa**
- **Cybersecurity: A Global Arms Race**
- **The Geopolitics of Food Security**
- **The Global Refugee Crisis**
- **U.S. Foreign Policy in an Era of Uncertainty**

## **Enriching the Conversation: Guest Experts and Diverse Perspectives**

Great Decisions is not merely a passive learning experience; it is an interactive dialogue that invites diverse perspectives and challenges conventional wisdom. The program features renowned guest experts from academia, journalism, and policymaking who share their insights, engage

in thought-provoking discussions, and inspire participants to think critically about global affairs.

By bringing together individuals from all walks of life, Great Decisions fosters a vibrant exchange of ideas and perspectives. Participants are encouraged to challenge assumptions, explore alternative viewpoints, and engage in respectful and constructive dialogue. This dynamic and inclusive environment empowers participants to develop informed opinions and make a meaningful contribution to global discourse.

### **Empowering Individuals, Shaping the Global Agenda**

Great Decisions is more than just a discussion group; it is a transformative force that empowers individuals to become active participants in shaping the global agenda. The program provides a unique opportunity to delve into complex issues, engage with experts, and develop a nuanced understanding of the interconnectedness of global affairs.

Participants in Great Decisions emerge from the program with a heightened sense of global awareness and a commitment to informed decision-making. They are equipped with the knowledge and critical thinking skills necessary to navigate the complexities of the 21st-century world and make meaningful contributions to their communities and beyond.

### **Join the Dialogue, Shape the Future**

If you are passionate about global affairs and seek to engage in thought-provoking discussions that shape the future, Great Decisions 2024 is your calling. Join countless individuals who have embarked on this intellectual journey and become part of a vibrant community of informed citizens who are committed to making a difference in the world.

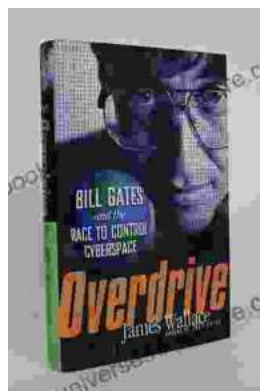

Visit the Foreign Policy Association website to learn more about the Great Decisions program, register for a discussion group, and access the topical briefs. Together, let us embark on this extraordinary journey and shape the world through informed dialogue.
