## Trump's Peacemaking Achievements

- **Negotiated the Abraham Accords**, which normalized relations between Israel and the United Arab Emirates, Bahrain, Sudan, and Morocco.

- **Brokered a peace agreement between Israel and Jordan**, ending a decades-old conflict.
- **Moved the U.S. embassy to Jerusalem**, recognizing Israel's capital city.
- **Withdrew from the Iran nuclear deal**, which had been a major source of tension in the region.
- **Imposed sanctions on Iran**, crippling its economy and forcing it to negotiate a new nuclear deal.

These are just a few of the many accomplishments that Trump made in the Middle East. His efforts brought about real peace and stability to the region, and they laid the foundation for a more prosperous and secure future for all of its people.

### **Biden's Dangerous Reversal**

Unfortunately, Joe Biden's early actions as president suggest that he is likely to undo much of the progress that Trump made. Biden has already:

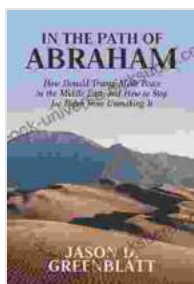

- **Rejoined the Iran nuclear deal**, despite the fact that Iran has repeatedly violated its terms.
- **Lifted sanctions on Iran**, giving the regime a windfall of cash that it can use to fund its terrorist activities.
- **Reopened the Palestinian consulate in Jerusalem**, which had been closed by Trump.
- **Cut off military aid to Israel**, a vital ally in the fight against terrorism.

Biden's actions are a betrayal of the American people and a threat to peace and stability in the Middle East. He is putting the interests of Iran and the Palestinians ahead of the interests of the United States and its allies.

## How to Stop Biden

There are a number of things that can be done to stop Biden from unng the progress that Trump made in the Middle East. First, Congress must pass legislation to prevent Biden from rejoining the Iran nuclear deal and lifting sanctions on Iran. Second, Congress must also pass legislation to provide continued military aid to Israel. Third, the American people must make their voices heard by contacting their elected officials and demanding that they support pro-peace policies in the Middle East.

The future of the Middle East is at stake. We cannot afford to let Biden undo the progress that Trump made. We must act now to stop him.
