## Materials You'll Need

- Pencil
- Eraser
- Paper
- Charcoal or graphite pencils (optional)
- Blending stump or tortillon (optional)

## **Step-by-Step Tutorials**

Here are some step-by-step tutorials to help you get started drawing zombies:

### **1. How to Draw a Zombie Head**

1. Start by sketching a circle for the head.
2. Add a line down the center for the nose and two lines for the eyes.
3. Sketch in the mouth, teeth, and tongue.
4. Add some shading to create depth and dimension.

### **2. How to Draw a Zombie Body**

1. Start by sketching a stick figure for the body.
2. Add some flesh to the body, making sure to include the arms, legs, and torso.
3. Add some clothing to the zombie, such as a shirt and pants.
4. Add some shading to create depth and dimension.

### **3. How to Draw a Zombie Pose**

1. Start by sketching a stick figure for the pose.
2. Add some flesh to the body, making sure to include the arms, legs, and torso.

3. Add some clothing to the zombie, such as a shirt and pants.
4. Add some shading to create depth and dimension.
5. Pose the zombie in a dynamic way, such as running, jumping, or attacking.

## Techniques for Drawing Zombies

Here are some techniques for drawing zombies:

- **Use a variety of pencils.** Charcoal or graphite pencils can be used to create a variety of textures and shades.
- **Use blending stumps or tortillons.** These tools can be used to smooth out transitions and create a more realistic look.
- **Pay attention to anatomy.** The human body is a complex structure, so it's important to understand the anatomy of a zombie before you start drawing.
- **Be creative.** There are no rules when it comes to drawing zombies. Experiment with different poses, expressions, and clothing to create your own unique creations.

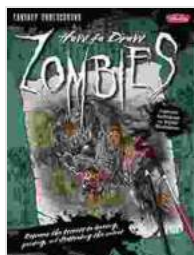

## Inspiration for Drawing Zombies

Here are some sources of inspiration for drawing zombies:

- **Horror movies.** Zombies are a staple of horror movies, so there's no shortage of inspiration to be found in this genre.

- **Comic books.** Zombies are also popular in comic books, so you can find some great examples of zombie art in this medium.
- **Video games.** Zombies are also a popular enemy in video games, so you can find some great examples of zombie art in this medium as well.
- **Your own imagination.** Don't be afraid to let your imagination run wild when drawing zombies. There are no limits to what you can create.

Drawing zombies can be a lot of fun, and it's a great way to express your creativity. With a little practice, you'll be able to draw zombies that are both realistic and terrifying. So what are you waiting for? Grab your pencil and start drawing!
