

Lips Unsealed: A No-Holds-Barred Memoir by Belinda Carlisle

Belinda Carlisle's memoir, *Lips Unsealed*, is a raw and honest account of her life in the music industry. She shares her struggles with addiction, her relationships, and her journey to self-acceptance.

Carlisle was born in Hollywood, California, in 1958. She began her music career in the early 1980s as the lead singer of the Go-Go's. The Go-Go's were one of the most successful all-female bands of all time, and they released a string of hit songs, including "We Got the Beat" and "Our Lips Are Sealed." However, Carlisle's success came at a price. She struggled with addiction to drugs and alcohol, and she also experienced personal setbacks, including the death of her father and the breakup of the Go-Go's.

In *Lips Unsealed*, Carlisle opens up about her struggles and triumphs. She writes about her childhood, her relationships, her addictions, and her journey to self-acceptance. Carlisle's memoir is a powerful and inspiring story of a woman who overcame adversity to achieve her dreams.

Carlisle's Childhood

Carlisle was born into a dysfunctional family. Her parents divorced when she was young, and she was raised by her mother, who was an alcoholic. Carlisle's mother was often abusive, and she made Carlisle feel like she was not good enough. As a result, Carlisle developed low self-esteem and a sense of insecurity.

Carlisle's childhood was also marked by poverty. Her family moved frequently, and they often lived in rundown apartments. Carlisle remembers going to school hungry and not having clean clothes to wear. She also remembers being bullied by other children because of her family's poverty.

Carlisle's Music Career

Carlisle began her music career in the early 1980s as a member of the Go-Go's. The Go-Go's were one of the most successful all-female bands of all time, and they released a string of hit songs, including "We Got the Beat" and "Our Lips Are Sealed." Carlisle was the lead singer of the Go-Go's, and she was known for her powerful vocals and her energetic stage presence.

However, Carlisle's success came at a price. She struggled with addiction to drugs and alcohol, and she also experienced personal setbacks, including the death of her father and the breakup of the Go-Go's. In *Lips Unsealed*, Carlisle opens up about her struggles and triumphs. She writes about her childhood, her relationships, her addictions, and her journey to self-acceptance.

Carlisle's Relationships

Carlisle has been married twice. Her first marriage was to musician Greg Kuehn. They divorced in 1992. Carlisle's second marriage is to actor Morgan Mason. They have been married since 1996.

Carlisle has also had a number of high-profile relationships. She dated actor David Keith in the 1980s. She also dated musician Billy Idol in the 1990s.

In Lips Unsealed, Carlisle opens up about her relationships. She writes about her marriages, her breakups, and her experiences with love and loss.

Carlisle's Addictions

Carlisle struggled with addiction to drugs and alcohol for many years. She began using drugs and alcohol in her teens, and she continued to use them throughout her twenties and thirties. Carlisle's addiction led to a number of problems, including health problems, financial problems, and relationship problems.

In Lips Unsealed, Carlisle opens up about her addictions. She writes about her struggles to get sober, and she shares her experiences with recovery.

Carlisle's Journey to Self-Acceptance

Carlisle's journey to self-acceptance began in her forties. She had spent her entire life feeling like she was not good enough. She had been abused by her mother, she had struggled with addiction, and she had experienced personal setbacks. However, in her forties, Carlisle began to realize that she was worthy of love and acceptance.

Carlisle's journey to self-acceptance was not easy. She had to work through a lot of her past trauma. However, she was eventually able to let go of her demons and accept herself for who she is.

In Lips Unsealed, Carlisle shares her journey to self-acceptance. She writes about her struggles and triumphs, and she offers hope to others who are struggling with self-acceptance.

Lips Unsealed is a powerful and inspiring story of a woman who overcame adversity to achieve her dreams. Carlisle's memoir is a raw and honest account of her life, and it is a must-read for anyone who is interested in music, addiction, or self-acceptance.
