The Race to Control Cyberspace: Bill Gates's Plan for a Digital Divide

Bill Gates has a vision for the future of the internet. In his book, The Road Ahead, he argues that the internet will become increasingly important...

My 40 Year Career On Screen And Behind The Camera

I've been working in the entertainment industry for over 40 years, and in that time I've had the opportunity to work on both sides of the camera. I've...
