These women come from all walks of life. They are politicians, activists, scientists, artists, and business leaders. They have made significant contributions to American history and culture, and they continue to inspire us today.

## Eleanor Roosevelt

Eleanor Roosevelt was the First Lady of the United States from 1933 to 1945. She was a tireless advocate for social justice, and she played a key

role in the development of the New Deal. Roosevelt was also a prolific writer and lecturer, and she used her platform to speak out on a wide range of issues, including civil rights, women's rights, and international peace.

"Eleanor Roosevelt was a remarkable woman who left a lasting legacy on American history," said presidential historian Michael Beschloss. "She was a tireless advocate for social justice, and she played a key role in the development of the New Deal. Roosevelt was also a prolific writer and lecturer, and she used her platform to speak out on a wide range of issues, including civil rights, women's rights, and international peace."

### **Ruth Bader Ginsburg**

Ruth Bader Ginsburg was an Associate Justice of the Supreme Court of the United States from 1993 to 2020. She was a champion of gender equality, and she wrote many landmark decisions that advanced the rights of women. Ginsburg was also a role model for women and girls, and she inspired a new generation of leaders.

"Ruth Bader Ginsburg was a giant in the field of law," said presidential historian Jeffrey Rosen. "She was a champion of gender equality, and she wrote many landmark decisions that advanced the rights of women. Ginsburg was also a role model for women and girls, and she inspired a new generation of leaders."

### **Madeleine Albright**

Madeleine Albright was the first female Secretary of State of the United States. She served from 1997 to 2001, and she played a key role in the Clinton administration's foreign policy. Albright was a strong advocate for

democracy and human rights, and she worked to promote peace and stability around the world.

"Madeleine Albright was a trailblazing diplomat who made history as the first female Secretary of State of the United States," said presidential historian Robert Dallek. "She was a strong advocate for democracy and human rights, and she worked to promote peace and stability around the world."

## **Nancy Pelosi**

Nancy Pelosi is the first female Speaker of the House of Representatives. She has served in Congress since 1987, and she has been a leading voice on a wide range of issues, including healthcare, education, and climate change. Pelosi is a skilled negotiator and a master of the legislative process.

"Nancy Pelosi is a powerhouse in American politics," said presidential historian Julian Zelizer. "She is a skilled negotiator and a master of the legislative process. Pelosi has been a leading voice on a wide range of issues, including healthcare, education, and climate change."

## **Hillary Clinton**

Hillary Clinton was the First Lady of the United States from 1993 to 2001. She was also a U.S. Senator from New York from 2001 to 2009, and she served as Secretary of State from 2009 to 2013. Clinton was the Democratic nominee for President of the United States in 2016.

"Hillary Clinton is one of the most consequential political figures of our time," said presidential historian Douglas Brinkley. "She has been a pioneer

for women in politics, and she has served our country with distinction in a variety of roles. Clinton is a role model for women and girls, and she is a source of inspiration for all Americans."

## **Condoleezza Rice**

Condoleezza Rice was the first female African American Secretary of State of the United States. She served from 2005 to 2009, and she played a key role in the Bush administration's foreign policy. Rice was a strong advocate for democracy and human rights, and she worked to promote peace and stability around the world.

"Condoleezza Rice is a brilliant diplomat and a true patriot," said presidential historian Richard Norton Smith. "She has served our country with distinction in a variety of roles, and she is a role model for African Americans and women around the world.

## **Michelle Obama**

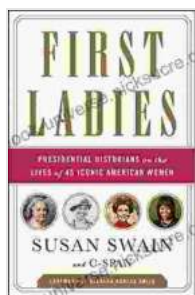

Michelle Obama was the First Lady of the United States from 2009 to 2017. She was a strong advocate for education and healthy living, and she worked to promote the well-being of families across the country. Obama was also a role model for women and girls, and she inspired a new generation of leaders.

"Michelle Obama is a powerful and inspiring figure who has made a significant impact on American life," said presidential historian Tevi Troy. "She is a strong advocate for education and healthy living, and she has worked to promote the well-being of families across the country. Obama is also a role model for women and girls, and she has inspired a new generation of leaders."

## Kamala Harris

Kamala Harris is the first female Vice President of the United States. She is also the first African American and the first Asian American to serve in this role. Harris has a long history of public service, and she has been a leading voice on a wide range of issues, including criminal justice reform, healthcare, and climate change.

"Kamala Harris is a groundbreaking figure who has shattered barriers and made history," said presidential historian Michael Beschloss. "She is a role model for women and girls, and she is a source of inspiration for all Americans. Harris is a skilled politician and a dedicated public servant, and she is sure to make a significant
