In New York, Davis quickly became involved in the city's vibrant art scene. He joined the Harlem Renaissance, a cultural movement that celebrated African American culture and heritage. Davis' work was often featured in

Harlem's leading art galleries, and he became known for his vibrant paintings of everyday life in the African American community.

In addition to his painting, Davis was also a talented teacher. He taught at the Harlem Community Art Center, where he helped to培养 the next generation of African American artists. Davis' students included Romare Bearden, Jacob Lawrence, and Norman Lewis, who went on to become some of the most influential artists of the 20th century.

Davis' work has been exhibited in museums and galleries around the world. He is best known for his paintings, but he also created sculptures, drawings, and prints. His work is characterized by its strong colors, bold lines, and expressive figures.

Davis died in New York City on August 25, 1942. He was 61 years old. He is buried in Woodlawn Cemetery in the Bronx.

## **Legacy**

Sherman March Burke Davis is considered one of the most important African American artists of the 20th century. His work helped to break down racial barriers in the art world, and he inspired a generation of younger artists.

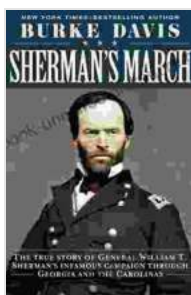

Davis' work is still celebrated today. His paintings are included in the collections of major museums, and he is the subject of numerous exhibitions and publications. In 2018, the Smithsonian National Museum of African American History and Culture acquired a major collection of Davis' work.

Sherman March Burke Davis was a true pioneer of American art. His work continues to inspire and influence artists and art lovers alike.

A painting by Sherman March Burke Davis of a group of African American people sitting on a park bench. The people are dressed in their Sunday best, and they are laughing and talking. The painting is full of color and life, and it captures the joy and camaraderie of the African American community.
