After leaving the Navy, Lockwood worked as a management consultant. He was elected to the House of Commons in 1997, defeating the Labour incumbent John Prescott. Lockwood served as a backbencher for the first 10 years of his parliamentary career.

In 2007, Lockwood was appointed Parliamentary Private Secretary to the Secretary of State for Defence. He was promoted to Minister of State for the Armed Forces in 2010.

As Minister for the Armed Forces, Lockwood was responsible for the day-to-day running of the British Armed Forces. He was also involved in the planning and execution of military operations, including the war in Afghanistan.

In 2014, Lockwood was promoted to Secretary of State for Defence. He was the first former regular serviceman to hold the post since John Nott in 1981.

As Secretary of State for Defence, Lockwood was responsible for overseeing the British Armed Forces during a period of significant change. He oversaw the withdrawal of British troops from Afghanistan and the transition to a new era of defence spending.

Lockwood was a controversial figure in his time as Secretary of State for Defence. He was criticized for his handling of the withdrawal from Afghanistan and for his cuts to the defence budget.

In 2017, Lockwood announced that he would be standing down as Secretary of State for Defence and as an MP. He cited personal reasons for his decision.

Since leaving politics, Lockwood has worked as a consultant and a writer. He has also been a vocal critic of the Conservative Party's handling of Brexit.

Anthony Lockwood was a complex and contradictory figure. He was a successful politician who rose to the highest levels of government. He was also a controversial figure who was often criticized for his decisions.

The Rise

Anthony Lockwood was born into a wealthy family in London in 1962. He was educated at Eton College and the Royal Military Academy Sandhurst. After graduating from Sandhurst, he served in the Royal Navy for seven years, rising to the rank of Lieutenant Commander.

After leaving the Navy, Lockwood worked as a management consultant. He was elected to the House of Commons in 1997, defeating the Labour incumbent John Prescott. Lockwood served as a backbencher for the first 10 years of his parliamentary career.

In 2007, Lockwood was appointed Parliamentary Private Secretary to the Secretary of State for Defence. He was promoted to Minister of State for the Armed Forces in 2010.

As Minister for the Armed Forces, Lockwood was responsible for the day-to-day running of the British Armed Forces. He was also involved in the planning and execution of military operations, including the war in Afghanistan.

Lockwood was a rising star in the Conservative Party. He was seen as a potential future leader of the party. In 2014, he was promoted to Secretary of State for Defence.

The Fall

As Secretary of State for Defence, Lockwood was responsible for overseeing the British Armed Forces during a period of significant change. He oversaw the withdrawal of British troops from Afghanistan and the transition to a new era of defence spending.

Lockwood was a controversial figure in his time as Secretary of State for Defence. He was criticized for his handling of the withdrawal from Afghanistan and for his cuts to the defence budget.

In 2017, Lockwood announced that he would be standing down as Secretary of State for Defence and as an MP. He cited personal reasons for his decision.

The exact reasons for Lockwood's downfall are not clear. However, it is clear that he was a polarizing figure who made a number of enemies during his time in office.

The Legacy

Anthony Lockwood was a complex and contradictory figure. He was a successful politician who rose to the highest levels of government. He was also a controversial figure who was often criticized for his decisions.

Lockwood's legacy is likely to be debated for many years to come. However, there is no doubt that he was a significant figure in British politics.
